Researching and endeavoring to search for the original figure that is beauty

Company Profile
Company introduction

You are beautiful.

MODONGEE Cosmetics has been researching and endeavoring to search for the original figure that is beauty.

As a result of the intensive research by our R&D Center in order to develop the best cosmetics, we have registered 42 patents of cosmetics and manufactured functional cosmetics. We manufacture the quality functional cosmetics at the factory facility which has acquired ISO 9001 and CGMP 1998, and help the manufacture and sales of cosmetics in accordance with the companies at home and abroad under OEM and ODM basis. The company prepares the leap into a global brand, and constantly endeavors and devotes itself to the innovative products meeting the taste of customers around the world.
